Students will be admitted to full Communication major status only after they complete Communication 1, 87, 88, and 89 with no grade below C- and with a UC grade-point average in these four courses of at least 3.00. If a student has taken an introductory statistics course at UCSB other than Communication 87 (EEMB 30, Geography 17, PSTAT 5A, 5E, 5S, Psychology 5 or Sociology 3), the grade received in that course will automatically count towards the Communication pre-major GPA. Communication 87 may not be taken after other lower-division statistics courses.

Students intending to become a Communication major are strongly encouraged to declare Pre-Communication as their major. Upon completion of the pre-major course requirements with a 3.00 GPA, students may petition to full major status, generally prior to the accumulation of 100 units, but not after the completion of 144 units. Admission to the pre-major does not guarantee admission to the Communication major, regardless of the number of Communication units taken.
