PHARMACOLOGY MAJOR, B.S. – 2009-2010

To be admitted to full major status, students must fulfill the pre-biology course and grade-point average requirements as described in the General Catalog. At a minimum, they must complete twelve designated courses from the Preparation for the Major with a 2.0 or higher UC grade point average.

Note: Hyphens indicate that an entire sequence must be completed as shown to fulfill an area requirement.

PREPARATION FOR THE MAJOR

Chemistry 1A-AL-B-BL-C-CL (or 2 series) ................................................................. 15
MCDB 1A-1AL-1B, EMBB 2-3-3L, and either MCDB 1BL or EMBB 2L ........................................ 15
(Transfer students must consult the advisor regarding selected topics to be covered in Z courses.)
Chemistry 6AL, 6BL (or 6BH) and 109A-B-C ................................................................. 18
Mathematics 3A-B or 34A-B ............................................................................................ 8
One of the following: PSTAT 5LS or 5A or Math 3C or Psy 5 ........................................ 4 or 5
Physics 6A-AL-B-BL-C-CL ........................................................................................... 12

UPPER-DIVISION MAJOR

50 UD units required, distributed as follows: ................................................................. 50

I. A. Pharmacology: MCDB 126A-AL-B-BL-C-C ..........................................................

B. Biochemistry: MCDB 108A-B-C .............................................................................

C. Genetics: MCDB 101A-B ..........................................................................................

II. Additional units from the following to bring the total upper-division units in the major to 50: ......................................................

Note: A minimum of 34 UD units must be completed through courses within the MCDB department. Instructor approval required prior to enrollment in psychology courses.

A maximum of 4 units of MCDB 185-199 can be applied. BMSE may be accepted by petition only. It is highly recommended that students take Writing 109ST (Writing for Science and Technology) prior to enrolling in the MCDB 126AL and BL courses. Students are encouraged to select their elective courses from within one of these tracks:

3. Neurobiology and Behavior: MCDB 151, 152, 153; Psychology 115, 133, 137

4. Physiology and Development: MCDB 111, 112, 112L, 151, 152, 153; EMBB 111, 154, 156

MAJOR REGULATIONS

PREREQUISITES Check the General Catalog for the prerequisites to all listed courses.
P/NP GRADING OPTION Not allowed for major courses (Prep or UD), including courses applied to the major from other departments, except up to 4 units of courses that do not allow letter grades.
SUBSTITUTIONS In the major requirements permissible only by petition to the department chair and dean.
RESIDENCE REQUIREMENTS At least 20 UD units in major while in residence at UCSB.
G.P.A REQUIREMENTS At least 2.0 overall UC average in all upper-division major courses and all courses (Prep and UD) for the major, including courses in excess of minimum requirements.
DOUBLE MAJORS With the approval of each department chairperson, up to a total of 8 units may be applied simultaneously to both UD majors.
