COMMUNICATION MAJOR, B.A. - 2002-2003

Students will not be admitted to full Communication major status until they complete Communication 1, 87, 88, and 89 with no grade below C- and with a UC grade-point average in these four courses of at least 3.00. If a student has taken an introductory statistics course at UCSB other than Communication 87 (EEMB 30, Geography 17-17L, PSTAT 5A, 5E, 5S, Psychology 5, or Sociology 3), the grade received in that course will automatically count towards the Communication pre-major GPA. Communication 87 may not be taken after other lower-division courses in statistics.

PRE-MAJOR REQUIREMENTS

Communication 1................................................................................................................ ......................4______
Communication 87................................................................................................................ .....................4______
Communication 88, 89................................................................................................................ .................8______

After completion of Communication 1, students may declare a Pre-Communication major. Upon successful completion of the remaining pre-major course requirements, students may petition to full major status, generally prior to the accumulation of 100 units, but not after the completion of 144 units. Admission to the pre-major does not guarantee admission to the Communication major, regardless of the number of Communication units taken.
