BIOLOGICAL SCIENCES MAJOR, B.A. – 2002-2003

To be admitted to full major status, students must fulfill the pre-biology course and grade-point average requirements as described in the General Catalog. At minimum, they must complete twelve designated courses from the Preparation for the Major with a 2.0 or higher grade-point average.

PREPARATION FOR THE MAJOR

UPPER-DIVISION MAJOR

36 UD units: ................................................................................................................................. 36

One course or course sequence is required in each of the areas below (A through F)

Note: Hyphens indicate that an entire sequence must be completed as shown to fulfill an area requirement. 
EEMB 113-113L may be applied to either area D or area E, but not to both areas simultaneously. 
Similarly, MCDB 114 may be applied to either area B or area C, but not to both areas simultaneously. 
The following courses do not count toward upper-division major credit: 
EEMB 183, 184; MCDB 121, 182, 183, 184

In addition, no more than 4 units of the following courses combined will apply: 
EEMB 185-199; MCDB 185-199.

A. Genetics: one course from: MCDB 101A or EEMB 129 (in addition, MCDB 101B is strongly recommended) .................................................................................................................. __
B. Physiology: one course from: MCDB 111, 114, 117, EEMB 141, 143, 154, 155, 156 ........................................................................... __
C. Development and Cell Biology or Biochemistry and Molecular Biology: one course from: 
   MCDB 103, 108A, 110, 112, 114, 115, 118, 133, 134; EEMB 164 ........................................................................................................... __
D. Ecology or Evolution: one course from: EEMB 108, 109 (or Geology 148), 113-113L, 120, 131 (or Geology 121), 135, 136-136L, 137 (or Geology 141), 138, 139, 140, 142A ........................................................................... __
E. Diversity of Form and Structure: one course from: EEMB 106, 107, 111, 112, 113-113L, 116, 134; 
   MCDB 131, 137 .................................................................................................................................................. __
F. Electives: Additional UD courses offered in EEMB and MCDB to bring unit total to 36: ............... __

MAJOR REGULATIONS

PREREQUISITES Check the General Catalog for the prerequisites to all listed courses.
P/NP GRADING OPTION Not allowed for major courses (prep or UD), including courses applied to the major from other departments, except up to 4 units of courses that do not allow letter grades.
SUBSTITUTIONS In the major requirements permissible only by petition to the department chair and dean.
RESIDENCE REQUIREMENTS At least 20 UD units in major while in residence at UCSB.
G.P.A. REQUIREMENTS At least 2.0 overall average in a) all UD major courses; and b) all major courses (Prep and UD) while in UC.
DOUBLE MAJORS With the approval of each department chairperson, up to a total of 8 units may be applied simultaneously to both UD majors.
