An “I” grade on the student’s record at the time of graduation in a course necessary for the fulfillment of degree requirements will disqualify the student for graduation. Students who have declared degree candidacy should consult with the Office of the Registrar prior to submitting this petition.

Students are not required to re-register in the course in order to complete the required work.

Work must be completed by the end of the next regular quarter following the quarter in which the incomplete grade was issued, whether or not the student is enrolled in the subsequent quarter or the course is offered.

An extension must be filed before the incomplete deadline in order to extend work beyond the deadline. Students seeking an extension to the deadline must contact the instructor directly. Instructors may obtain an Incomplete Grade Extension Petition from their department.

Senate Regulation Concerning Incomplete Grades

UNIVERSITY OF CALIFORNIA ACADEMIC SENATE
Divisional Bylaws and Regulations

CHAPTER I: GENERAL PROVISIONS
Section 2: Grades and Credit (Regs. 20-40)

D.

1. The grade Incomplete (I) may be assigned when a student's work is of passing quality [as defined in Divisional Regulation 20 and 35], but is incomplete. The notation No Grade (NG) will be assigned to graduate students when a grade is not turned in for the student. The notation No Record (NR) will be assigned to graduate students when a course report is not turned in for a class. An I grade may be placed on a student's record only if the completed "request for an I Grade" form, with the necessary processing fee paid, is on file in the Registrar's Office, signed by the instructor, and indicating the reason for assigning the I grade, the student's grade to that point, the nature of the course work to be completed, the percentage of the final grade to be based on that work, and the deadline, if any, for submitting the work. Copies will be sent to the student, the instructor, the department chair, and the dean. In the absence of the form, an F or NP grade shall be recorded by the Registrar when an I is reported for a student.

A student is entitled to have the grade of Incomplete, or No Grade or No Record notations in the case of graduate students, replaced by a passing grade as determined by the instructor concerned, and to receive unit credit and appropriate grade points upon satisfactory completion of the work of the course by the end of the term following the term in which the NG or NR notations, or the I grade was reported, whether or not the student is registered or the course is offered. Unless the work is completed and a grade reported to the Registrar; by the deadline, the I, NG, or NR shall be changed automatically to an F, NP, or U as appropriate. If the instructor is unavailable, the chairperson of the department in which the course was offered is authorized to supervise the completion of the work and to make the appropriate grade change. The chairperson of the department in which the course was offered also has authority to extend the deadline for completion in the event of unusual circumstances that would clearly impose an unfair hardship on the student if the original deadline were maintained. A copy of each authorization of extension of deadline will be sent to the dean. [ 79; Am 7 Nov 96; Am 28 Jan 99]

2. In the calculation of an undergraduate student's grade-point average, the grade Incomplete (I) is disregarded, except as provided in Senate Regulation 634 (see Divisional Regulations, Chapter I, Regulation 7779; Am 7 Nov 96).

3. An I grade on the student's record at the time of graduation in a course not necessary for the fulfillment of degree requirements may be removed only up to the end of the fifth week of the term following the date of graduation. If not removed, it will not be changed to an F, NP, or U, but will remain an I permanently. At the time of graduation, an I grade in a course taken for a letter grade must be utilized in the computation of the grade-point average, in accordance with Senate Regulation 634 (see Divisional Regulations, Chapter I, Regulation 7779; Am 7 Nov 96).
