To the student-athlete: complete all sections of this form, including obtaining signatures from department major advisor(s) or an athletic academic advisor. An athletic academic advisor will forward the completed form to the Office of the Registrar.

NCAA rules require that a student-athlete has a declared major BEFORE the start of the 7<sup>th</sup> quarter of full-time enrollment. This “Intent to Declare” form is valid until the student-athlete completes an “Undergraduate Petition for Change of Major, Emphasis, or College” form.

This form is used when a student-athlete is prevented from officially changing or declaring a major and/or when the Director of Compliance needs a major verification immediately.

If completing a double major, this form must be signed by both department major advisors or an athletic academic advisor.
