

The Path to Graduation

Undergraduate Student Graduation Checklist

(Additional information is available on the Office of the Registrar's [Graduation website](#))

To be eligible for a bachelor's degree from the University of California, Santa Barbara, students must meet the general University of California requirements and the appropriate college and major requirements. They must also comply with University regulations governing registration, scholarship, examinations, and student conduct. This document is intended to assist undergraduate students in preparing for and successfully completing all steps required to graduate and receive their UCSB degree.

1. Declare Candidacy

- Declaring candidacy via [GOLD](#) ('Graduation' link on left-hand side) is the only way to officially graduate and receive a degree from UCSB. Declaration deadlines for each quarter can be found [here](#).
- If you are pursuing a [minor](#), notify the sponsoring department by the [declaration deadline](#). If you fail to do so, the Office of the Registrar cannot guarantee that your minor will be recognized.
- Clear any blocks on your account ([myBARC](#)).

2. Complete ALL Degree Requirements

- All degree requirement must be completed by the [official ending date](#) of the UCSB quarter in which you have declared candidacy.
 - ◇ This includes transfer work, [Education Abroad](#), and [Incomplete grades](#).
- Run a Progress Check or [Degree Audit](#) in [GOLD](#) ('Academic History' link on left-hand side).
 - ◇ Discuss any deficiencies (noted with red 'X's) with your major department or College office.
- Send official transcripts of any work completed at other institutions (including [UCSB Extension](#)) to the [Office of the Registrar](#). It is your responsibility to send in all transcripts if you want to receive credit.
- Complete the [UCSB Graduating Senior Survey](#).
- If you will not complete all degree requirements by the official ending date of the quarter in which you have declared candidacy, please withdraw your degree candidacy via [GOLD](#).
 - ◇ It is then your responsibility to re-declare candidacy via [GOLD](#) for the quarter in which you will complete all degree requirements.

3. Degree Evaluation

- You will be notified via [GOLD](#) and [U-Mail](#) after an initial evaluation of your record is done if you will or will not meet all degree requirements upon successful completion of any work in-progress.
 - ◇ This will happen sometime after the third week of the quarter and up to nine weeks after the quarter has ended.
- After quarterly grades have been processed, you will be notified of successful completion of your degree requirements or remaining deficiencies via [GOLD](#) and [U-Mail](#).
 - ◇ This process can take 2-10 weeks after the quarter has ended.
- Check your [U-Mail](#) account frequently, even after the quarter has ended.

4. Commencement

- Make a [commencement](#) reservation via [GOLD](#) ('Graduation' link on left-hand side). Participating in commencement has NO effect on graduating and receiving your degree from UCSB (see 'Declare Candidacy' above).

5. Receive your Diploma

- Update your diploma address in [GOLD](#) ('Contact Information' link on the left-hand side).
 - ◇ If you have arranged for mail forwarding through the US Postal Service, your diploma will NOT be forwarded to your new address.
 - ◇ Diplomas are [mailed](#) approximately 4 months after the end of the quarter.
- Your diploma will be held until any blocks on your account ([myBARC](#)) are cleared.
- Check your diploma name in [GOLD](#) ('Graduation' link on left-hand side) for accuracy.
